To be Strung Along the Ohio River Railroad.

The Ohio River Railroad and Western Union Telegraph Companies have at last come to an understanding. They are receiving the materials for the erection of an entirely new line from Wheeling to home yesterday. Kenova, and work will be commenced as soon as the Western Union erection gangs arrive. The line will be composed of six wires, two railroad and four commercial wires. The taking hold of this matter by the Western Union will reduce the Emory Smith, this week. expense of telegraphing considerably. Heretofore two tolls have had lis, is spending a few days with to be paid and now a single rate will be inaugurated.

What Kills Many.

A coroner in Australia recently reasoned out a verdict more sensibly than one-half the verdiets McCoy. usually rendered. It appeared that an Irishman, conceiving that a little powder thrown upon some green wood would facilitate its burning, directed a small stream from a keg upon the burning piece, but not possessing a hand sufficiently quick to cut this supply off was blown into a million pieces.

The following was the verdict lelivered with great gravity by the official: "Can't be called suicide bekase he didn't mean to kill himself. He didn't "die for want of Mrs. Geo. W. M. Hooff, of this city breath, for he hadn't anything to breathe with. It's plain he didn't know what he was about, so I shall bring in-died for want of comnon sense.'
